

‘Motion to add responsibility for the UWCS ball’

Proposer: Matthew Knight (u2007659)

Seconded: Edmund Goodman (u2006527)

The society notes:

1. The UWCS ball was a huge success in the academic year 2022/2023.
2. There was a large ‘ball committee’ in charge of organising the ball in 2022/2023 that contributed to its success.
3. The ball for the academic year 2023/2024 has had difficulties in organisation.
4. The ball is a social event.

The society believes:

1. Assigning an exec member or members to the organisation of the ball and formation of the ‘ball committee’ would be beneficial.
2. The social sec is an obvious choice for the exec member to organise the ball and formation of the ‘ball committee’.

The society resolves:

1. To make the social sec responsible for the overall organisation of the ball, including the creation of a ‘ball committee’ if required.
2. Update the constitution to include the new subsection 4.4.6.d:
 - a. 4.4.6.d The Social Secretary will be responsible for the organisation of a UWCS ball, and the formation of a ‘ball committee’ to assist in this if required.
